THE 3M JONQUINETTE

A DELIGHTFUL EMBARCATION BUILT IN STRIP-PLANKING

FOR THOSE WITH EXPECTATIONS

- A safe and versatile boat
- A simple and robust rig
- Lends itself to multiple uses
- The warmth of timber
- An undeniable exotic charm

The simplicity of the JUNK rig allows you to set sail in a few minutes. When sailing, its forms give it an astonishing stability.

The JONQUINETTE has sailed for a number of years and she continues to surprise the sailing community by its **maneuverability** and **safety** characteristics.

The Jonquette can carry two adults and one child safely.
